## Finds 34 Year Old Local Item At Library

Mrs. David Kelly of Grayling found more reading material than she bargained for when she recently borrowed a book from the Crawford County Library.

In reading through the volume she came across a meeting notice for the Grayling Woman's Club for February 9, 1932. She was most pleasantly surprised to find it and the notice is being given to the Woman's Club to put into their scrapbook with probably a notation in the unique way that it found its way back into their hands.

### PENNY PARTY

We don't want to do big washings and we don't like to scrub. So we've thought up a novel way to earn money for our club.

We're having a "Penny Party"

to earn a little money.

So you wonder what that is? It's a party where you bet.

It's going to be a "Ladies Night." Your purses won't drain about this "Penny Party." We'll try now to explain.

Admission charge is fifteen cents and a ticket you will get. For a chance on a box of candy we're raffling off, you bet.

We're going to play a bit of cards (there'll be contests, games and such) and you'll luck the charge is based on that.

A penny here, a penny there come join the jolly bunch and for a few pennies extra we'll serve a lunch.

## NEW BOWLING LEAGUE FORMED

The North Central Michigan Travel League consisting of bowling teams representing Grayling, Roscommon, Prudenville, West Branch, Mio and Harrison became a reality recently when interested bowlers from all of the participating communities met at the Houghton Lake Recreation Center to formulate plans and schedules for the new league.

The opening matches will be held at Grayling Sunday, October 23rd, starting at 7 o'clock in the afternoon with teams from all of the mentioned communities participating. Each team will bowl two matches against different opponents on a non-handicap basis.

The teams will consist of the best bowlers from each community, which should make for exciting competition, so if you're looking for something to do, and you enjoy bowling, don't forget the date and the place, for spectators are certainly welcome.

## THE AUSABLE PARADOX

by Willard Bosserman  
The Ausable river and its tributaries are a paradox in that many people each year are attracted to its beauty and charm, yet it is this flocking to the river that may cause it to lose much of its draw-

ing power.  
It is not so much the use of the river that threatens its destruction as it is the misuse. I have just read a publication put out by the Michigan Department of Conservation entitled "Michigan's Ausable River Today and Tomorrow." It has written by G. E. Hendrickson and is available from the publications room, Michigan Department of Conservation, Lansing, Michigan. In this publication Hendrickson makes reference to the litter that is thrown into the river and on to its banks by the users.

In talking with local people, I am

The Grayling Viking gridders, after losing a high scoring homecoming contest to the Gaylord Blue Devils last Friday at the local gridiron, 31 to 25, are working this week to regroup their forces to meet the always strong and dangerous Charlevoix Raiders at Charlevoix this Friday night.

Last Friday besides the Grayling-Gaylord contest, Boyne City continued to lead the field in the Northern Class C Conference with an impressive 31 to 6 defeat of Charlevoix with the Mancelona Ironmen surprising East Jordan 20 to 6 and hapless Pellston taking a 27 to 0 whitewash from the Harbor Springs Rams.

This Friday besides the Grayling-Charlevoix clash, Harbor Springs will be at East Jordan, Mancelona at Gaylord and Boyne City at Pellston. Boyne City should have little trouble in holding on to the top lead as they meet the conference basement dwelling Hornets. The Harbor Rams and the East Jordan Red Devil clash shapes up at about a tossup. Gaylord may have their hands full with an up and coming Mancelona eleven. Gaylord with a three won, one tie record still have hopes of a title but will be sorely tested Friday.

Last Friday at the Grayling gridiron at the Memorial Recreation area, the Blue Devils had to come from behind a 6-0 first period deficit when the local Vikings' quarterback, Barry Holmes, passed to fullback Dave Nethers for a seven-yard counter.

Gaylord came back in the second period as the rains came. Chuck Cardinal ran 10 yards for a Blue Devil score, and then put the visitors ahead, 12-6 with an 11-yard scamper. The lead didn't last long. Grayling staged a long march that resulted in Holmes crossing the goal line from a yard out for a six-pointer and passed to Dave Bailey for the conversion. The PAT put the locals ahead, 13-12, at halftime.

The Vikings added to their margin in the third period when Holmes passed to Nethers for an eighty-yard TD to make the score 19-12. Then the Blue Devils got going.

Sam Morrow passed to Jack Noirot for a 23-yard score, and Morrow ran the PAT. Morrow counted again on a 12-yard run but missed the PAT to leave the score, 25 to 19 in Grayling's favor.

Then came the big highlight of the evening. Bailey took the kick-off and ran it back 80 yards for a touchdown through all the rain and mud. That made the score 25-25, and Gaylord had to pull out the decision in the final frame. They staged a long march down the field, climaxed when a Morrow snuck through the Vikings' line from one yard out for the final counter.

Two first half Viking mistakes—fumbles—gave Gaylord the ball inside the Grayling ten yard line. Both led to touchdowns and the lost ball game. Grayling played a good game, however, Coach Mike Wieland said, although the weather bothered the running game.

Barry Holmes was named Grayling's most valuable player on his record of 8 out of 17 passes completed for 123 yards and two touchdowns. He also scored one himself. Chauncey Carr suffered a pulled ligament, Steve Englund an injured finger and Paul King facial cuts but all three are expected to be ready by Friday.

The little Vikings kept up their victory-skein as they blasted Lake City here last Thursday by a 27 to 0 score. Mike Smock passed for three touchdowns. The first, a 35-yarder to Rick Holmes. Smock added the extra point on a sneak. The second a 25-yarder to Larry Stephenson with the PAT added by Smock on a rollout. The third score was a 42-yard pass play to Allan Lowe with Stephenson adding the extra point. The final tally came on a 45-yard punt return by Lowe. The point was missed. This Thursday, the Viking jayvees travel to Petoskey to meet the St. Francis junior varsity.

## Attend The Church Of Your Choice

### IS HE YOURS

You take him for a walk around the block and people stop you to say, "What a beautiful baby!"

You try to be modest about it, but your heart is bursting with pride. He is the most beautiful baby — and — he's yours!

Or is he?  
It can be pretty disturbing the first time you realize that your baby really isn't yours at all — that you do not possess him. Yet the sooner you do realize it, the better. We can't possess another person, no matter how dearly we love them. And in the case of our children, we are custodians, not owners.

He is a beautiful baby — and you, naturally, want nothing more than for him to grow up into a fine young man. It is your responsibility, in the years ahead, to help him do so — and you will find the strength and guidance to aid you in your task in your church.

Start going to church this Sunday. Chances are that they've even got a nursery for beautiful babies!

#### THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake (2) For his children's sake (3) For the sake of his community and nation (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## Golf Auxiliary Holds Annual Awards Dinner

Golf Auxiliary members and their husbands enjoyed a lovely Saturday evening at the Grayling Country Club, the occasion being their annual awards dinner. This year's committee, consisting of Ann DuBois (chairman), Elaine Ellison; Corinne Smith; and Evelyn Gardiner, really outdid themselves turning the Club into a colorful autumn setting. Dinner was arranged and served under the direction of Mrs. Jack Wainwright, 1966 president, presented trophies for the year: Low putts, Ann DuBois; low gross and low net, Jeanette Henig; low ringers, a tie between Mary Pettengill and Jeanette Henig; championship, Corinne Smith; runner-up, Kathryn Stewart; championship consolation, Elaine Ellison; runner-up, Evelyn McIntosh; handicap championship, Mary Pettengill; runner-up, Marilyn Longworth; handicap consolation, Evelyn McIntosh; runner-

up, Dolores Burns; and most improved golfer, Evelyn McIntosh. Special awards went to the handicapped committee, Peg Milnes and Dorie DeClair; Mrs. Jack Wainwright, manager of the Club; and Ken Jackson, greenskeeper. Mrs. Longworth also presented her gift to the Club of a president's plaque depicting the inception of the Golf Auxiliary since its inception in 1959. Until that time it was known as an Auxiliary, but actually became officially a Golf Auxiliary in 1959. Mrs. William Kraus, 1967 President, accepted this gift in behalf of the Golf Auxiliary. Mrs. William Sorenson on behalf of the Awards Committee, consisting of Mary Pettengill, Doris Souders and Mrs. Sorenson, presented a gift to Mrs. Longworth in appreciation for her year of service to the Auxiliary. The evening continued with dancing and reminiscing of a very good year. It was the consensus of all present that the 1966 Awards Dinner was an evening not to be forgotten for some time to come. Application forms for the Selective Service college qualification test scheduled to be given November 18 and 19 are now available at all Michigan local board offices. It was announced today by State Selective Service Headquarters.

Test scores may be used by local boards as one criteria in determining the eligibility of registrants for student deferments. The test may be taken by any registrant who has not previously taken the test and who intends to request occupational deferment as a student. Applications for the test must be postmarked no later than Friday, October 21, 1966.

The three hour written examination will be administered by Educational Testing Service, Princeton, New Jersey. The 16 examination centers in Michigan will include colleges located at Ann Arbor, Berrien Springs, Dearborn, Detroit, East Lansing, Escanaba, Flint, Grand Rapids, Houghton, Ironwood, Kalamazoo, Marquette, Rochester, Saginaw, Sault Ste. ## Letters To The Editor

October 6, 1966

Editor  
Grayling Newspaper  
Grayling, Michigan  
Dear Mr. Editor:

I had an opportunity a few weeks ago to visit your beautiful northern Michigan and embark on a three-day canoe trip.

During my stay in Michigan, we had a couple of problems with some of your shady, presumably local, gentry. It isn't important that I relate to you how these people, unknown, caused me some concern; however, it is important that I communicate that one, Bob Ruddy, of the Northland Property Patrol came to my rescue, and the party I was with, more than once during our five-day stay in Michigan.

I take this opportunity to salute and thank Mr. Ruddy for his helpfulness. It is because of this Mr. Ruddy that I am sure I will visit Grayling again.

In closing, may I repeat what a wonderful place northern Michigan is, and I truly hope that people in Grayling realize what an asset they have in Mr. Ruddy who sincerely helps travelers when in distress.

Yours very sincerely,

## A Nation Wrecker

U. S. News & Report, in a recent issue, featured a story on what to expect if inflation becomes the way of life in the U. S. It showed what happens when government fiscal policies in a country result in a permanent upward trend in price indices and the cost of living.

In brief, people lose interest in doing a good job. Shoddy workmanship and unreliability of the individual increases. Young people become indifferent. Thrift is unknown. The chief victims of inflation are the elderly living on fixed incomes. Character erosion accompanies erosion of the value of money. U. S. News & World Report cites many examples in European countries, which have long accepted inflation as a way of life. In Britain, "Repairmen and various service workers tend to act as if they are doing the customer a favor by accepting an order." In Sweden, young people shun hard work and training—good pay is easy to come by. The United States is already far down the inflationary road to irresponsibility.

No wonder Russian revolutionary Lenin once said that to ruin a capitalist society, one must destroy its money. Dictatorship is the alternative to capitalism and freedom. It is difficult to believe that the American people wish to sacrifice these on the altar of inflation.

On a field covered with snow and with flakes falling continuously throughout the game, Grayling High School remained undefeated in downing an improved Mancelona eleven 20 - 0 last Saturday. Considering the condition of the field, which was marked by twine on the sidelines and goal lines only, Grayling played one of their best games in conquering a stubborn Mancelona team.

Mrs. Alice Benson of Saginaw was elected president of the Ladies National League at the concluding session of the 42nd annual convention Saturday at the Hotel Bancroft. Mrs. Benson succeeds Mrs. Louise Wineman of Detroit. Other officers are Chaplain Mrs. Emma Knibbs of Grayling and picket, Mrs. Fern Feldhauser of Grayling. Maryland Bigham, 9, who ran away last week Wednesday, was returned to her mother Thursday afternoon. The division of her family seemed to quite shock the children, all of whom had been together since birth. The parents had separated and each remarried. As the mother was about to start home Wednesday afternoon Maryland suddenly jerked away from her and ran across the street in front of the court house and around a corner. Effort to find her seemed futile for many hours. Posses of the sheriff's department, the city firemen, state police and others searched seemingly everywhere the girl might be hiding. Even groups of men were out all night. Early Thursday afternoon she was found at the home of Mrs. Dennis Lovely, where she had been in hiding.

Since our last issue we have passed through a short but definite young winter. At 7 o'clock Saturday morning the ground was

bare and within the next 15 minutes, in spite of the warm earth, it was white with snow. By noon the snow was about 2 inches deep. The storm continued most of the time for the next two days and by Monday morning it was definitely a foot deep with snow and in some parts of the county it was reported several inches deeper. Temperatures were only slightly below freezing and on Monday afternoon there was a light rain. The snow gradually melted away but even now there are small patches in places. In discussing the storm with some of our older residents, they were of the opinion that Saturday and Sunday's were the heaviest for this time of year within their memories.

## PUBLIC BUDGET HEARING

There will be a public hearing on the Crawford County Budget for 1967, hearing to be held October 29 at the Courthouse, from 9 a. m. to 12 noon.

Copies of the budget are available at the County Clerk's office for your inspection.

CRAWFORD COUNTY BOARD  
OF SUPERVISORS**

Send them out  
to play inside.

Add room to your home the easy way. Install a gas baseboard heater in your enclosed porch or enclosed breezeway. By the time you've added your own decorator touches, you'll have an extra bedroom, sewing room, family room or playroom ready for year-around use.

And, because each gas baseboard heater has its own thermostat control, you can select the precise temperature you want for your new room. Keep it that way inexpensively, too. It costs about \$20 to heat an average size room for an entire year. That's 1/5 the operating cost of an electric baseboard heater.

There's no major investment at installation time, either. We'll be glad to add the cost of the heater to your monthly gas bill and you pay for it a few dollars at a time. A phone call to your heating contractor is all it takes to get things moving. And to get you moving... into that brand-new room right away.

## Annual Audit of City of Grayling

September 7, 1966  
TO THE HONORABLE MAYOR AND CITY COUNCIL  
CITY OF GRAYLING, MICHIGAN  
I have examined the Balance Sheets as of June 30, 1966 of the  
GENERAL FUND  
CEMETERY, PERPETUAL CARE AND MAUSOLEUM FUND  
WATER WORKS FUND  
SEWAGE TREATMENT FUND  
MAJOR STREET FUND  
LOCAL STREET FUND  
with respect to the CITY OF GRAYLING, MICHIGAN, and their re-  
lated statements of revenues and expenditures for the fiscal year then  
ended. My examination was made in accordance with generally ac-  
cepted auditing standards, and accordingly included such tests of the  
accounting records and such other auditing procedures as I considered  
necessary in the circumstances, except that I did not confirm the re-  
ceivable items by direct correspondence with the debtors. The Major  
and Local Street Funds were segregated from the General Fund as at  
January 1, 1966, therefore the financial statements for these funds re-  
flect the activity for the six month period ended June 30, 1966.  
In my opinion, except for the fact that I did not confirm the re-  
ceivable items by direct correspondence with the debtors, the accom-  
panying balance sheets and related statements of revenue and expendi-  
tures present fairly the position of the several named funds of the  
CITY OF GRAYLING, MICHIGAN, at June 30, 1966, and the financial  
transactions of these funds for the fiscal year then ended in conformi-  
ty with generally accepted principles of municipal accounting, as ap-  
plied on a basis consistent in all material respects with that of the  
preceding year.

## Fashions From New York

The newest hat fashions direct from New York will be featured at St. Francis' Episcopal Church on Friday, Oct. 28 from 1 - 9 and on Saturday Oct. 29 from 10 a. m. - 3 p. m. There will be many of the newest creations and all hats are reasonably priced with no two hats alike. Plan on attending this "first" for Grayling and plan on choosing a creation to complete your winter wardrobe. There will also be gloves available. This sale will be sponsored by the E. C. W.

The E. C. W. have been very busy working on projects for their annual Christmas Cookie Sale. At the October meeting at the home of Mrs. Ivan McArthur it was decided that all proceeds from the Christmas Cookie Sale would be set aside for Social Service projects. The program for the meeting was a most interesting narration of the Passion Play in Oberammergau, Germany, which is presented once every 10 years. The narration and slides were presented by the hostess Mrs. Ivan McArthur. It was also decided at this meeting that the Thrift Shop would remain open on Fridays.

On Oct. 16 the men of the church will be having their monthly breakfast immediately following the 8:00 Communion Service. All men and boys are invited to both the service and breakfast or to meet at the church at 8:30 a. m. for the breakfast.

## O. E. S. ELECTS NEW CHAPTER OFFICERS

The annual election of officers of Grayling Chapter No. 83, O.E.S. was held last Wednesday evening. Bernice Heska of Frederic was elected as Worthy Matron for the coming year and Jerome Heska was elected Worthy Patron. Other officers elected were Patricia Failing, Associate Worthy Matron; Rex McMillen, Associate Worthy Patron; Beverly Kinkert, secretary; Marjorie Haugh, treasurer; Betty Failing, conductress and Irene Peterson, associate conductress.

A beautiful memorial service was planned by the present worthy matron, Dorothy Williamson for the final meeting of her year in office. She and the worthy patron, Olin Williamson, paid special tribute to those members no longer with us by placing symbolic flowers on a large white star. Each Star Point then offered a tribute and placed the flowers symbolic of their station on the star too. Taking part were Irene Peterson, Helen Hodgkins, Marilyn McClain, Mildred Bristol and Marian McMillen. The chaplain Elsie Jansen, then placed the star at the base of the altar, offering an appropriate prayer.
